

ICAW 1st Annual Pet Breeders Seminar November 6 & 7, 2009

The Indiana Council for Animal Welfare, ICAW, announces our 1st Annual Pet Breeder Seminar on November 6th and 7th. The seminar will be held at the Indiana State Fairgrounds in the Farm Bureau Building.

Companion pet breeders will learn about new legislation passed this year which will go into effect on January 1st, 2010. We will have five nationally recognized speakers covering all pet issues at a State and Federal level on November 7th.

- Patti Strand (NAIA Member and AKC Board Member)
- Mike Maddox (PIJAC Pet Industry Joint Council)
- Karen Strange (MOFED)
- Bob Kraft (Indiana Farm Bureau)
- Frank Losey (PPBA)

Patti Strand, nationally recognized authority, will be speaking during lunch on November 6th. Also featured on November 6th is a joint session with speakers from every Canine registry. In addition, Dr. Bret Marsh and Dr. Sandy Norman from the Indiana Board of Animal Health will be in attendance. On Friday night, November 6th, we will hold a banquet and auction in the main hall of the Farm Bureau Building.

During both days there will be a CPA discussing how to properly setup a business. Architect Bob Overton will be available to discuss your building ideas and zoning issues for pet breeders. The United States Department of Agriculture (USDA) will be in attendance, as well as many legislators from around the State of Indiana.

With the many expert speakers covering legislation, joint discussion with Canine registrars, and access to a CPA, architect, the USDA, Indiana Board of Animal Health, and Indiana legislators - we are sure you will not want to miss this opportunity. We have strived to make this seminar educational, informative and productive for all of you, and trust you will join us for our 1st Annual Pet Breeder Seminar.
